

*The gold standard
for beauty, comfort and value.*

Introducing Prism® by Simonton Gold windows and doors. They feature a narrow frame and expansive viewing area, so you'll see more. They're crafted of premium vinyl, so they require virtually no maintenance for years of beauty. Thanks to advanced glass packages, they provide excellent thermal performance—helping to keep energy costs affordable. And a Double-Lifetime Limited Warranty provides absolute peace of mind.

See more in a window.

Prism® by Simonton Gold windows and doors don't just provide a larger viewing area. They were created to meet the demands of today's homeowners. Prism by Simonton Gold windows deliver excellent thermal performance. And for the ultimate in easy-living features, they're designed to be easy to operate and virtually maintenance free.

Benefits

- A Quality Construction** Fusion-welded frame and sash profiles resist air and water infiltration.
 - B Fresh Air** The vent latch allows window to be partially open for ventilation. *(Double Hung only)*
 - C Easy Access** Flush-mount tilt latches are recessed and release the tilt-in sash for easy cleaning. *(Double Hung only)*
 - D Reliable Protection** Sturdy cam locks secure the window and provide a smooth interior finish.
 - E Effective Weather Barrier** The overlapping and interlocking meeting rail forms a tight seal where the sash meet.
 - F Energy Efficiency** Standard ProSolar® soft coat Low E glass with an Argon Gas fill helps provide excellent energy performance.
 - G Ergonomically Designed** The contoured, extruded lift rail is molded into the sash for strength and durability.
 - H Water Repellent** The stepped sill drives water down and away from your home.
- Perfect Alignment** The pivot alignment system maintains the alignment between the sash and the frame to ensure proper operation. *(Double Hung only)*
- High Performance** The U-shaped design of the standard Intercept® spacer system helps maximize the thermal performance of your window. For even greater energy efficiency, the Supercept™ spacer is optional.
- Easy Operation** The stainless steel constant force ½" coil spring balance system supports sash in any open position and allows the window to be raised and lowered without difficulty. *(Double Hung only)*
- Double-Lifetime Limited Warranty** A comprehensive warranty that covers vinyl, hardware, screens, insulating glass units and includes a 25-year Glass Breakage Warranty for additional homeowner peace of mind.

A narrow frame design provides a wider viewing area and a classic, streamlined appearance.

Sealed air chambers inside the multiple-chambered profiles increase insulation.

The perfect door for the perfect windows.

You no longer have to choose between quality, beauty, energy efficiency and the ease of low maintenance. Prism® by Simonton Gold Patio Doors provide the streamlined beauty you expect from Prism. Premium vinyl construction with an optional advanced glass package provides impressive thermal performance. And thanks to an expansive sightline, you'll love what you see.

PATIO DOOR

A Prism by Simonton Gold Patio Door is the perfect way to open up a room. Optional sidelites and a transom overhead allow even more sunlight inside your home.

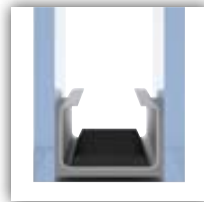

Attractive hardware finishes provide a sophisticated appearance.

Transoms and sidelites are available for a dramatic, customized look.

Intercept®

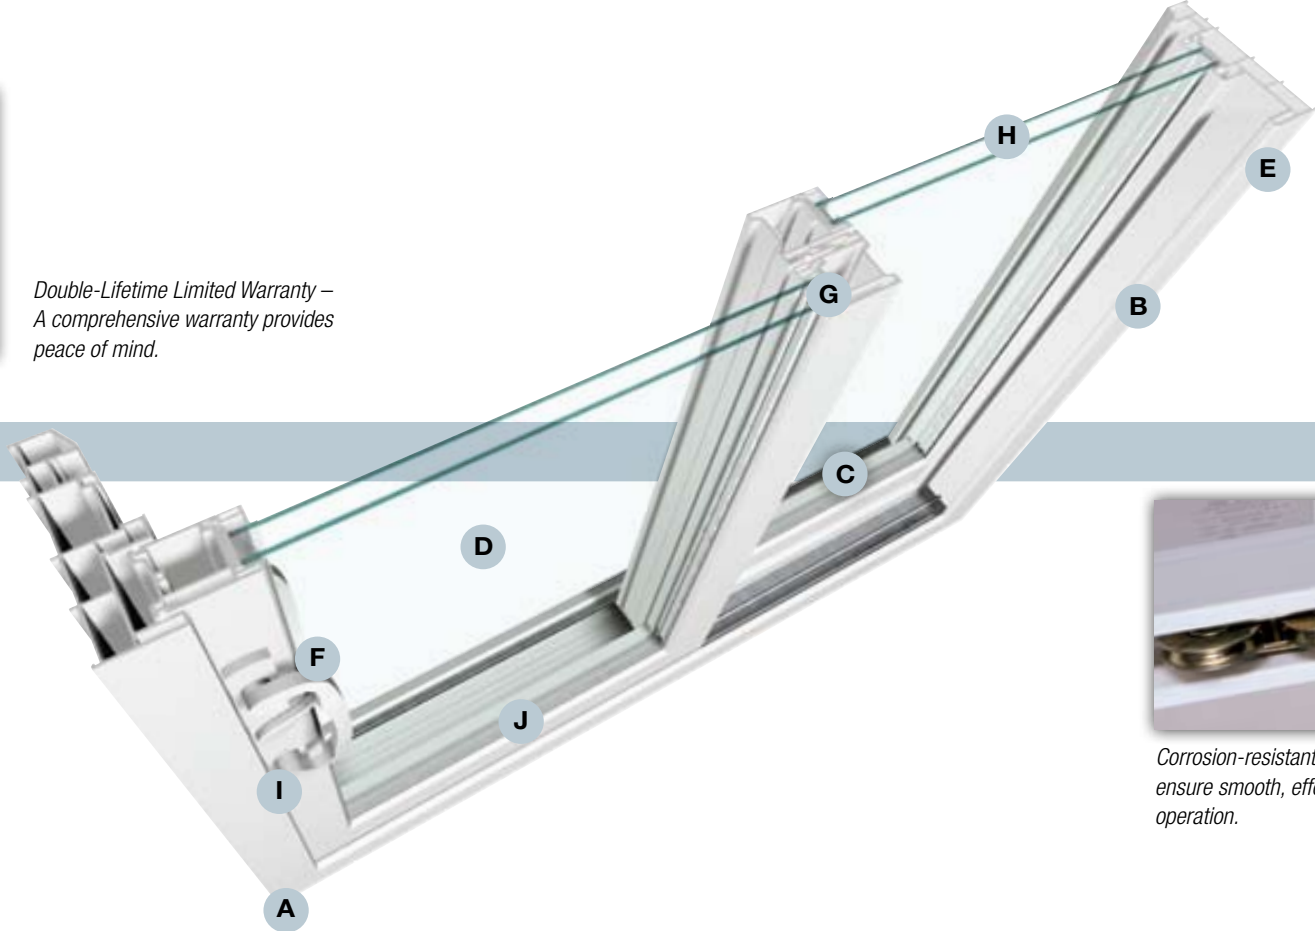

Supercept™

*Two unique spacer systems are utilized in the Prism® by Simonton Gold glass packages. The **Intercept®** spacer system offers a U-channel design that keeps glass warmer and flexes and contracts for reduced seal failure. The **Supercept™** spacer utilizes the U-channel design, but is made of a stainless steel alloy that offers increased durability and thermal efficiency.*

Double-Lifetime Limited Warranty – A comprehensive warranty provides peace of mind.

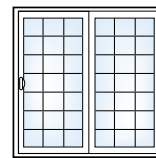

Corrosion-resistant rollers ensure smooth, effortless operation.

Features

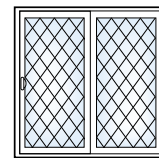

- A Increased Weather Resistance** Fusion-welded frame and panel profiles provide strength and protection against air and water infiltration.
- B Virtually Maintenance Free** Premium vinyl construction requires very little maintenance to look beautiful for years.
- C Protection From Water Infiltration** The sloped vinyl sill quickly directs water away from the door.
- D Maximum Strength and Safety** Double-strength glass provides increased strength and security.
- E Expansive View** The narrow frame and larger sightline provide a larger viewing area.
- F Attractive Appearance** Color-matched hardware ensures a contemporary, streamlined appearance.
- G Thermal Performance** Fin seal weatherstripping improves thermal efficiency and guards against air infiltration.
- H Energy Efficiency** Standard ProSolar® soft coat Low E glass with an Argon Gas fill helps provide excellent energy performance.
- I Security and Convenience** A single point lock handle secures the door at multiple points from one location.
- J Easy Operation** Corrosion-resistant rollers ensure effortless operation and smooth performance over time.

Plentiful Fresh Air Full fiberglass mesh screen is the perfect way to fill your home with fresh air. *(not pictured)*
